Interviews

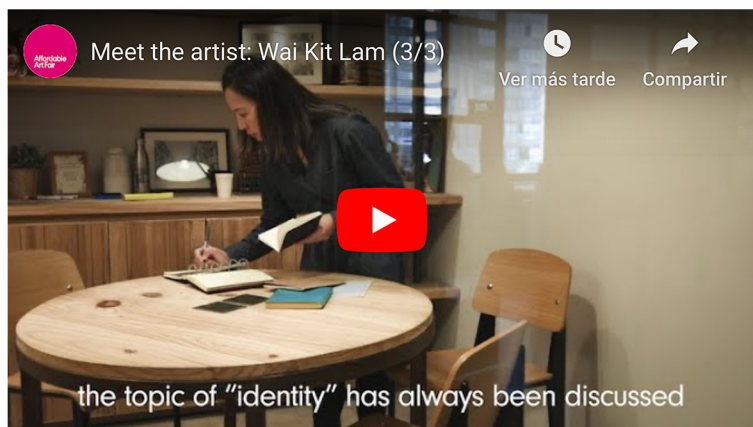

Did you know that March is Women's History Month? To celebrate the work of just a few talented female artists, gallerists, collectors and advisors that work in the arts, we've created a **Women in Art** magazine. If you like Wai Kit Lam's interview, follow the link below for more.

WOMEN IN ART MAGAZINE

Hong Kong artist **Wai Kit Lam**'s artworks seem minimalist at a first glance. Exploring her identity as a woman, artist and Hong Kong citizen, she communicates the subtle emotions of her personal experience and history.
